

IN CELEBRATION OF
RESIDENT APPRECIATION WEEK

A time when we further recognize the vital role our Residents play in our health care systems.

LSS will be contributing to the Learner Lounge in TBRHSC and HSN by starting a reading library and game option.

Ms. Jennifer Turcotte-Russak, Director of Learner Support Services and Ms. Sophie Regalado Director of Health Sciences Library and Data Stewardship have chosen their favourite books from the last few years to start the loaning library.
